SEXUAL ASSAULT PREVENTION & RESPONSE

Soldier Should Be:

- Alert
- Safe
- Assertive
- Prepared

NOTE:

Most sexual assault victims know and/or trust their offenders before the assault

REMEMBER NO MEANS NO!

You should:

- Use the buddy system – look out for each other
- Report inappropriate behavior immediately
- Practice the Army Values
- Never leave a fallen comrade

REPORTING OPTIONS

RESTRICTED AND UNRESTRICTED REPORTING

RIGHTS OF THE VICTIM & ALLEGED OFFENDER

SOLDIERS WHO ARE SEXUALLY ASSAULTED

If you are sexual assault:

- Go To A Safe Place
- Contact The Appropriate Authorities – Know Reporting Options
- Do Not Destroy Evidence

Soldier's Responsibility Toward Victim:

- Listen to the victim and take the allegations seriously
- Do not make judgments about the victim or the alleged offender
- Encourage the victim to report the crime
- Support the victim and show respect
- Demonstrate empathy by concentrating on helping your friend, fellow soldier, or colleague
- Protect victim's confidentiality

PURPOSE OF VICTIM'S REPORTING OPTIONS

- Ensure victims receive medical, counseling and advocacy services
- Remove barriers:
 - Perceived lack of privacy/confidentiality
 - Embarrassment/stigma
 - Fear of reprisal from offender
 - Lack of confidence in chain of command
 - Fear of repercussions regarding collateral misconduct
 - Concern about how report will affect their career, unit, and the mission
- Build victim's trust in system to increase reporting

CONFIDENTIALITY & REPORTING

Policy Effective 14 JUN 05: Two Types Of Sexual Assault Reporting Options

➤ Restricted Report

- Victim's choice
- Confidential Sources – Do Not Report SA Crime to PM or CMD
 - Medical Treatment
 - Optional Forensic Exam
 - Forensic Exam and Evidence collection
 - Chaplain
 - Victim Advocate
 - SARC
- Confidential Exceptions Exist
- No Cdr Actions
- PM/CID can launch Independent Invest.

➤ Unrestricted Report

- Victim's choice
- Provide Information
 - Medical Treatment
 - Forensic Exam
 - CID Investigation
 - Victim Witness
 - JAG
 - Chaplain
- Cdr Actions: MPO, Separation, Criminal Invest., Offender held accountable

Restricted Reporting

- Option provides victim:
 - Confidential disclose the crime to specifically identified individuals
 - Medical treatment and counseling
 - Does not trigger an official investigative
- Per policy, victim can only report the assault to:
 - Sexual Assault Response Coordinator (SARC)
 - Victim Advocate (VA)
 - Healthcare provider
 - Chaplain - policy is in addition to the current chaplain privileged communications, and does not alter or affect those protections

Healthcare providers care and treatment and conduct a sexual assault forensic examination (SAFE), which may include the collection of evidence.

Per victims approval, health provider and chaplain reports the sexual assault to the SARC (or DSARC in Theater environment)

SARC (or DSARC) assigns an Victim Advocate (IVA/UVA) to the victim - provides information on restricted and/or unrestricted reporting options

REPORTING OPTIONS: **RESTRICTED**

Who May Make A Restricted Report

- Restricted reporting is available at this time only to military personnel of the Armed Forces and the Coast Guard.
- Military personnel include members on active duty and members of the Reserve component (Reserve and National Guard) provided they are performing federal duty (active duty training or inactive duty training and members of the National Guard in Federal (Title 10) status).
- Members of the Reserve Component not performing Federal duty are not eligible.
- Retired members of any component are not eligible.
- Dependents are not eligible.
- Department of Defense civilian employees are not eligible.

REPORTING OPTIONS: RESTRICTED

Considerations when Electing a Restricted Report

- Receive appropriate medical treatment, advocacy, and counseling
- Provides some personal space and time
- Information and support in deciding whether to participate in criminal investigation
- Control the release and management of personal information

Limitations

- Alleged perpetrator remains unpunished and capable of assaulting other victims
- Cannot receive a military protective order (MPO)
- May continue to have contact with offender
- Evidence from the crime scene where the assault occurred may be lost, and the official investigation (if restricted report is changed to unrestricted report) will likely encounter significant obstacles
- Not able to discuss assault with anyone except authorized proponents

REPORTING OPTIONS: UNRESTRICTED

Army's preference is unrestricted reporting of sexual assaults to allow:

- Ensure Victim receives protection and support services
- Pursuit of criminal actions against alleged offender
- Commanders may delay collateral misconduct against victim
- Commanders may issue MPO and/or more victim or alleged offender

Option for victims of sexual assault who desire:

- Medical treatment
- Counseling
- Official investigation of the crime
- Use current reporting channels:
 - Chain of command
 - Law enforcement
 - Sexual Assault Response Coordinator (SARC or DSARC)
 - Request healthcare providers to notify law enforcement
- SARC will assign a Victim Advocate (Installation (IVA) or Unit (UVA))
- Victim's discretion/request: healthcare provider shall conduct a sexual assault forensic examination (SAFE), which may include the collection of evidence.
- Information regarding incident limited to only those personnel who have a legitimate need to know.

REPORTING OPTIONS: **UNRESTRICTED**

Unrestricted Reporting Information

- **DTG and location**
- **Name and relation to incident or victim**
- **Victim's name and current location**
- **Injuries and medical needs**
- **Who is assisting the victim**
- **Identity or description and location of alleged offender**

RIGHTS : VICTIM'S – ALLEGED OFFENDER'S

Victims Rights:

- **Opt for restricted or unrestricted reporting**
- **To be protected and treated fair and with respect**
- **To be Notified and present at all court proceedings**
- **Seek and obtain information on case pending**
- **Legal Representation**

Alleged Offenders Rights:

- **Legal counsel**
- **Assumed innocent until proven guilty**
- **Fair Trial**
- **Privacy and confidentiality**
